Dear Karyn and Due South Band,

It was a pleasure seeing you last night and listening to your exceptional music. I was delighted of the number of people that came to hear your band despite of the heat. You are fortunate to have such loyal fans that follow you and even go out and dance in the extreme weather! Your choice of music was fantastic. You gave me an idea for a caption for the local newspaper for your performance, "The Heat is On!!!"

Thank you for a very enjoyable and entertaining evening. We are looking forward in your performance again at the Manville Public Library with less heat.

Sincerely,

Barbara
